a new vision for

in Kane County, Utah

Join us on May 19th, 2:00pm - 4:00pm  
Kanab Library - 374 North Main Street - *Light refreshments*

## Share your ideas!

We are seeking to bring a new kind of senior living community to Kanab, and we want your thoughts and opinions about our plans.

You will have a chance to tell us what you see as the true needs in the area, and share your vision of aging successfully in Kanab.

## We will share ours!

We will share conceptual drawings, introduce site options, and outline our interdependent community philosophy.

You will learn how we are striving to build a community that inspires residents to unlock their full potential and create opportunities for sharing knowledge, wisdom and talents.

Creating the perfect community for you or your parents! Together!
